

Professors Emeriti Network

Professors Emeriti Network. We walk what we talk.

The source of innovation lies in the discovery of problems.

Solving a problem starts by asking the right question (problem identification).

Problems in the modern world cannot be efficiently and effectively detected without the use of information technology.

Zoom Meeting, Wednesday, September 25, 2024, 17:00 – 19:00 CET

Emeriti and Retirees are Still Useful to Our Society. Collection of Experiences.

An Endless Book Written by the Community over all the World.
