

**Seniors 55+ eServices Guide - Koroška Region
Zoom Meeting on 10th of May 2022, 10:00 – 12:00**

The meeting was »called« to present good practice from Community health service Slovenj Gradec on the work and achievement of [Seniors eServices Guide 55+](#) on local level in the City Municipality of Slovenj Gradec and the Municipality of Mislinja. Besides the work on Guide, a functional button [For Seniors](#) on the web site was presented as a new approach for seniors to be aligned with information.

The meeting also presented the instructions to digitalise the printed brochure Seniors eServices Guide 55+ and to present it as regional Guide, linking [twelve municipalities in the region](#) aiming to include information for seniors at regional level ([Koroška – Carinthia Region](#)).

Some good practices in the area of information provision for seniors were presented. One by the [Municipality Črna na Koroškem](#), and the other by the [National Institute for Public Health, Regional Unit of Koroška](#). Both aiming at giving vital information for seniors in their local areas.

Final conclusion of the meeting is that the participating partners will be involved in development of regional *Seniors 55+ eServices Guide for the Koroška Region*. The outcomes will be presented in the International Conference [The Central European Seniors eServices Guide 55+](#) in Slovenj Gradec on September 30, 2022 on the occasion of [October 1st, international Day of Older Persons](#).
